

**LAS AMERICAS
GROUP INC.**

Las Americas Group Inc is an efficient and trusted supplier of consumer retail food and foodservice products to markets throughout the United States and internationally.

We use cost-effective services at every level to provide our customers with a marketplace advantage that is critical in sustaining a competitive lead in today's world. We make, source, distribute and market brands in a way that's beneficial to them and the world we share.

At Las Americas Group Inc we maintain and require stringent systems and processes that assure the quality of our branded and private label products throughout the supply chain. We process our own products and work with quality manufacturers and suppliers to develop innovative and superior products. Our company personnel further provide customers with an intimate knowledge of the market and exclusive superior product knowledge that adds value to the entire process.

OUR MISSION

Las Americas Group Inc is committed to delivering quality food solutions to our domestic and international customers.

OUR VISION

Our vision is to be at the leading company in the development, distribution and marketing of food product brands and private label products.

Las Americas Group Inc works hard to actively engage with our partners at all levels – from identifying emerging trends and working with our partners to develop market leading products, to understanding supply chain efficiencies, and utilizing lean manufacturing principles to drive costs out at all levels of our production process. We see it as our role to **PROVIDE EXTENSIVE CATEGORY INSIGHTS INTO THE MARKET**, and work to provide solutions that best match our partner's specific needs.

We work hard to understand and attract new consumers and consumption habits that provide ongoing growth for each and every of our product categories. All of this is **BACKED BY SOME OF THE STRONGEST QUALITY CONTROLS** that are independently audited and give our clients the surety that their brands are in good hands. Despite our growing size we remain nimble enough to respond to the rapidly changing needs of our customers.

CAPABILITIES

Las Americas Group Inc is currently able to produce and source a broad range of products, including: the finest seafood, pork, chicken and many other food products from around the world. With the commissioning of new capabilities and sources, we are constantly increasing the range of products we offer. Our products can be delivered fresh, frozen or shelf stable.

STRATEGIC FOCUS

Las Americas Group Inc continues to focus on major growth opportunities, adding new and innovative products, and making new investments that will enhance our offering. We continue to invest in all areas of the business – in new capacity, in diversifying our production and sourcing capabilities with related products, and constantly up skilling our staff and driving cost out of everything we do – we really are for Mexico and the US the “go-to” provider of food products

DELIVERING THE GOODS

Las Americas Group Inc supplies food to the retail and food service categories, under a number of regional and national brands. We are developing a growing presence in the foodservice market. Part of our success is an understanding and commitment to efficiently managing the national and international distribution requirements of our partners. We understand that making the best products is worthless, if we cannot get them to the right place, at the right time, and at the right price. Our Supply Chain Team is highly experienced in moving volumes of ambient and frozen product around the United States and internationally , including between countries, and dealing directly with our major retail and foodservice partners.
